ANCESTRAL METHOD.

FERMENTED WITH NATURAL YEASTS.

AGING

6 MONTHS ON LEES.

FILTERED. UNFINED.

SO2

15 MG/L

AGING POTENTIAL

3-5 YEARS

CASES PRODUCED

830 CASES

TASTING NOTES

Almost as much as we love this pretty orange-gold sparkler that glows like the setting sun, which drinks more like a champagne than pet'nat. With traditional Champagne notes of red apple, pear, citrus zest, subtle buttery toast with fine, persistent bubbles and a crisp, dry finish, this is a lush and fun glass of bubbly with an elegant edge. Pet'nat even your mama – and grandma -- would love, yet interesting enough for the geeks. All in a biodynamic, no-added-sulfite package. Win-win." – rock juice

MANOIR DE LA TÊTE ROUGE

FREE MOUSSE, PET NAT

THE STORY

"peasant and responsible agriculture is a way of life and of thinking. when producing my grapes, i aspire to act sensibly for the people and the planet . this state of mind develops naturally from a respectful relationship with nature. since 1998, the vineyard has been cultivated and certified by ecocert in organic farming and since 2010 in biodynamic farming by biodyvin. knowing how to adapt to a changing environment requires constant questioning. the planting of forgotten grape varieties such as pineau d'aunis, the incorporation of trees into the cultivation of the vine (agroforestry) or the gradual abandonment of all modern oenology are avenues that i have followed for more than 20 years. other projects will emerge in the coming years. revitalizing authenticity, durability and liveliness is an integral part of the culture of my estate. the entire manoir de la tête rouge team and i are passionate about this peasant and caring approach."
